

# 5 Ways to Engage with AFSC

## 1. JOIN OUR MEETING FOR WORSHIP.

Every week, AFSC hosts a virtual Meeting for Worship for Friends from across the globe. Embracing the practice of Quaker unprogrammed worship, we gather to bring our attention to witnessing injustice in our world and bolstering our solidarity with people facing oppression. Come join us to explore and experience the spiritual dimensions of activism and social justice.

## 2. BECOME AN AFSC LIAISON AND ENGAGE IN SPIRIT-LED ACTIVISM.

Friends liaisons help organize Quaker communities to advocate for peace and justice at the grassroots level. Become a liaison and receive regular updates from AFSC to share with Friends in your community—and mobilize them to action.

## 3. BECOME AN APARTHEID-FREE COMMUNITY.

For decades, the Palestinian people have faced Israeli occupation and systematic human rights abuses that constitute apartheid. AFSC is working with Quaker meetings, other faith groups, and communities of conscience to cut all ties with Israeli apartheid and build an apartheid-free world.

## 4. DIVEST FROM CLIMATE DESTRUCTION.

The investment firm Vanguard is the world's No. 1 investor in fossil fuel expansion. That's why AFSC has joined with Earth Quaker Action Team in the Vanguard S.O.S. campaign. We are asking Friends to boycott and divest from Vanguard until it stops funding fossil fuel projects and starts taking climate justice into account.

## 5. LEARN HOW TO PROTECT, RESIST, AND BUILD WITH AFSC.

On the third Tuesday of every month, AFSC staff host a webinar to share skills and resources. Each event will bring together AFSC supporters to learn about how to protect our communities, resist authoritarianism, and build peace with justice.
