

# JUSTICE FOR HIND RAJAB

Call your Representative and Senators using the Congressional switchboard number: **202-224-3121**

Hello, my name is [YOUR NAME] and I'm a constituent of [REP OR SEN NAME]. I'm calling to ask that [REP OR SEN NAME] co-sponsor the Justice for Hind Rajab Act introduced this week by Senators Welch and Van Hollen and Representatives Jacobs, Castro, and Jayapal.

The bill would require the U.S. government to investigate and hold accountable those responsible for the killing of five-year-old Palestinian child Hind Rajab, her family, and the paramedics sent to rescue her.

A film telling Hind's story has been nominated for an Oscar. I know Hind's story because I've heard the heartbreaking tape of her small voice begging the Red Crescent for help as she sits in a car surrounded by the bodies of her dead relatives who were killed by Israeli tank fire.

Unlike Hind's story, there are tens of thousands of stories of children killed in the genocide in Gaza that we don't know. And now hundreds of children have been killed in Iran and Lebanon. Please co-sponsor the Justice for Hind Rajab Act and then co-sponsor H.R.3565 to block the U.S. from sending more weapons to Israel to kill Palestinians in Gaza. Thank you for your time.
