

August Asks

1

H.R.3565 The Block the Bombs Act

Prohibits the sale, transfer, or export of the seven most deadly and indiscriminate weapons to Israel. Sponsored by Rep. Ramirez with 81 co-sponsors. Bi-partisan.

2

H.Res876 The Genocide Resolution

Recognizes that Israel is committing genocide and therefore commits the United States to act to prevent and punish. Also calls for sanctions, UN advocacy, and UNRWA funding. Sponsored by Rep. Tlaib with 21 co-sponsors.

3

No Palantir Money! Learn more at: afsc.org/purge-palantir

Palantir is a AI and data management company that works with ICE and Israel to surveil, target, and kill people. Responsible for attacks on Iran, Lebanon, and Gaza.

4

Make a statement about Palestine

Connect on shared values ex. value of children's lives, money for our own communities, no more foreign wars. Follow-up!

5

Vote to prevent the integration of the US and Israel's militaries

The National Defense Authorization Act is the bill that funds the Department of Defense. This year it includes a section integrating the US and Israeli militaries. Vote no!
